Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is being submitted in response to the Interview of 24 May 2005. It was agreed that since applicant has already submitted a response to the outstanding Office Action, the next Office Action will be made non-final and will address mostly issues related to art rejections; subsequent changes in claim language will address the utility issue as well as the remaining issues related to art rejections.

Respectfully submitted,
XENCOR, INC.
